Studio 4A

Located on the ground floor with its own private entrance Studio 4A is an ideal base for location shoots, fittings and castings. On the ground floor (625ft²) is a kitchen, self-contained changing room along with a separate makeup room with two hair and makeup stations. On the upper level (400ft²), is a private bathroom and large comfortable breakout space with client seating, large dining table and West-facing windows. When used in conjunction with Studio 4 it's ideal for larger shoots offering secluded private space away from the main shoot space.
